

RASHTRIYA PARYAVARAN
BAAL SANSAD

Organized by

**Paryavaran Sanrakshan
Gatividhi**

Hosted by

Manav Rachna Educational Institutions

The Principal

Subject: Invitation for Participation in Rashtriya Paryavaran Baal Sansad 2026

Empowering School Children for Democratic Stewardship & Ecological Action

**“From Awareness to Action
Sowing Today, Growing Tomorrow.”**

Dear Principal,

India's civilisational ethos has long revered the natural world. Ancient wisdom sees humanity not as a master of nature, but as part of the **Panchamahabhuta** : Earth (Prithvi), Water (Jal), Air (Vayu), Energy (Agni), and Space (Akash). Today, as India faces climate volatility, water scarcity, biodiversity loss, and pollution, this timeless perspective is more relevant than ever.

Keeping in mind the huge potential, stake and the role that young awakened school students have in it, we are pleased to invite your prestigious school to actively participate in **Rashtriya Paryavaran Baal Sansad 2026 (RPBS 2026)**, a meaningful initiative aimed at fostering this environmental awareness and sustainability among students from Grades VIII to XII.

RPBS 2026 is a series of competitions, initiated by **Paryavaran Sanrakshan Gatividhi, a nationwide volunteer movement dedicated to ecological protection**, in association with **Manav Rachna International School (MRIS)** as the National Host, **Bharat Scouts and Guides (BSG)**, **Vidya Bharti and National Service Scheme (NSS)**, aiming at bridging classroom environmental learning with real-world democratic leadership.

Schools willing to participate in RPBS 2026 are required to **register on the portal - www.rpbs.in** by **28 August 2026 (Last Date)**. The portal will be open for registration from 21 August. The competition is structured across **three progressive levels**:

Level I: School-Level Competition | 21-31 August 2026 | In-Person

To be conducted at respective schools through **group discussions, debates, declamations and presentations**, around the topics mentioned in the attached document. Each school will select top **5 delegates** for the Regional Level and upload their details on the Portal, latest by **2 September**.

Level II: Regional-Level Competition | 7-18 September 2026 | Online

Delegates selected at the School Level will participate in an **online debate competition** on the topics around five elements of nature and national environmental concerns. Details for the online debate along with joining link will be shared well in advance. **8 top delegates** shall be selected and the details will be uploaded on the portal by **19 September**.

Delegates selected for the National Level will be provided online training & guidance for Impactful Debating & Deliberations from **21-30 September** by Manav Rachna Experts.

Level III: 6 October – Mock Baal Sansad & 7 October – National Level Baal Sansad | In-Person

Winners of the Regional Level will be reaching **Manav Rachna Educational Institutions Faridabad Campus on the evening of 5 October 2026**. Attendance on 6-7 October is mandatory. **Mock Baal Sansad will be organized at MREI Campus on 6 October**.

National Level Competition will be organised at **Delhi Vidhan Sabha on October 7, 2026**.

Note

For School Level Competition, schools are requested to formulate a 3 member jury. Preferably, one faculty member from Science/Environmental Studies, one from Social Science/Economics/Legal Studies, and one external member, wherever possible.

We warmly encourage your school to motivate your **students** to participate enthusiastically in this great cause. Their involvement will not only enhance environmental consciousness but also provide a unique platform to young learners for leadership, public speaking, and action-oriented learning.
